

# Using LANDFIRE Products to explore historical and current ecosystems

Draft by The Nature Conservancy's LANDFIRE team

2021-03-08

# Contents

# Chapter 1

## This document...

is a technical guide DRAFTED in R-Markdown using the Bookdown package. It was created to support the “Wrangling billions (and billons) of pixels and hundreds of ecosystem models: Making LANDFIRE products work for your landscape” working session.
